That Sinking Feeling

My girlfriend always uses her large breasts to her advantage.

We recently had our kitchen re-fitted and had a problem with the sink. Our local plumber was soon on the scene.

Wearing a blue top and short skirt, Tina took John into the kitchen where he was instantly transfixed, not by the sink problem, but Tina's massive nipples poking through her top.

orbs and with each thrust Tina licked his helmet.

He pulled off Tina's knickers and was soon fingering her snatch. When she was good and wet John came up behind her and slid his length up her.

He banged her up against the worktop and squeezed her nipples with each fuck.

Tina orgasmed twice before John pulled out and lay back on the worktop. She squatted on him and rode his cock as I watched.

Her labia looked great

round his cock and her clit was bright pink with excitement.

Climbing off him, Tina knew John was ready to unload his seed.

She lay on her back and John pushed her legs back to her shoulders before pumping her hard, his cock glistening. Tina was a tease and told him she didn't want to pay for the sink. John at

He was putty in her hands when Tina lowered her top to expose her pendulous boobs.

John's package was getting bigger.

He soon had his trousers off and produced a seven and a half inch cock.

He pumped his veiny cock between her massive

full stroke agreed heartily as he pumped his spunk into her belly.

Pulling his cock out of her, John squatted over my wife's face while she licked his cock clean.

The plumbing job was done - and so was my wife!

Mark, Beds.

With a name like Melody, we'd like to think this Midlands cutie's got a talent for music, or at least a fondness for it...

"Well, I did play the recorder for a while at school, but I don't remember getting very far past London's Burning before giving it up. I'd love to be able to play something, but never really had the patience for all that practice..."

That's a pity – practice makes perfect, after all!

"Yeah, well why waste your time blowing into a recorder when you can be sucking on a cock, that's what I say! Plus it's much more fun to practice!"

House and Hard-on

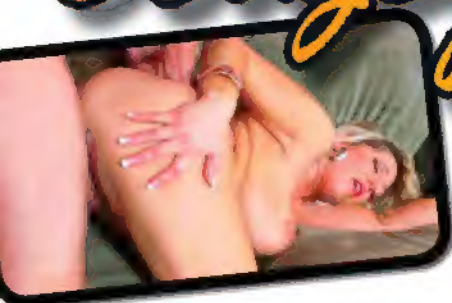

If you like your scruff to kick off with a bit of Shameless-stylee bants then you're in luck here, but we're soon in flashback mode with Lucia Love having a fag in some 80s clobber. When a couple of lads start cleaning her windows she does the only sensibly thing and invites them in for a DP in the kitchen! It's a bit cramped, but they don't let that stop 'em!

True to form, Sam Bentley decides a good hard dicking from her 'step-brother' is more fun than browsing on her tablet, and he doesn't put up much resistance. And more British talent follows, with Alyssa Divine leading up to a couple

more corks in Ava Dalush and Jaye Rose eagerly taking a length of you-know-what. Available from your local sex shop.

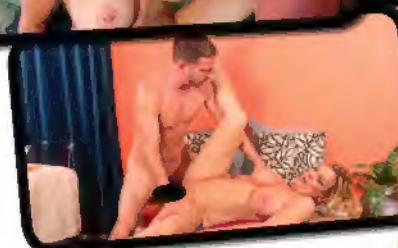

Cougey Wonderland!

ems like there's no shortage of 40 and 50-something strumpets out there who are craving for a dose of hard

young cock, and this flick

rounds up a full half dozen of them, starting with big-boobed blonde Ginger, whose shaven snatch and welcoming arse get a good work-out courtesy of her obliging young man. 48 year old Annette's fella looks even younger, but he's up to the job of satisfying her juicy slot before she talks him into giving her a creampie they both appear to enjoy mightily. Short-haired Kali certainly seems to get off on the back-scuttling she receives from her ponytailed porker, and things carry on a similar vein until 52 year old Karen ups the ante in the final scene by grappling with a brace of knobs and getting in the middle of a potty-mouthed DP that soon has them spuffing all over her upturned face. Top notch cougar grot! Available from you local sex shop.

Seeing the pictures of Katie reminded me of an incident that happened to me a couple of years ago, when I was trekking through the New Forest and stumbled across a couple fucking in a small clearing – she was blonde and stunning and I watched, transfixed, and she bounced up and down on her fella's prick, her tits jiggling around in a way that made my cock swell instantly. She

Forest Fruits!

quickly spotted me and grinned. "Feel free to have a wank!" she said, and beckoning me to come closer, even made a grab for my bulging prick. Well, her fella didn't seem to mind, so I eased out my knob and began tugging it. "Come on, I want to see your spunk fly!" she encouraged, reaching out and cupping my balls as I stroked my prick frantically. It wasn't long before I felt the sap rising and she told me to spunk over her ripe tits. I was only too happy to oblige, sending a spray of jizz over her boobs and watching as she rubbed it in, all the while still riding her boyfriend's pole! As I zipped myself up again she blew me a kiss and waved me on my way!

Mark, Salisbury.

Julia says: Sounds like my kind of trek!

DEAR JULIA

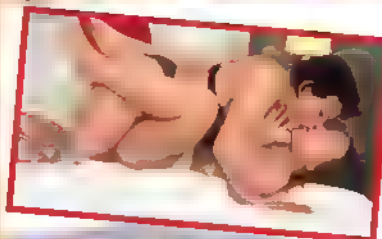

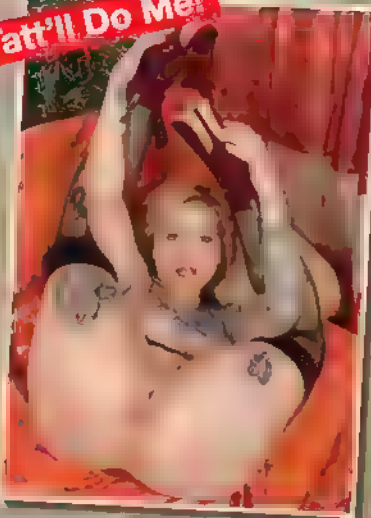

I realise that some of your more old-fashioned readers might disagree, but I'm a massive fan of girls with tattoos, and I had to drop you a line in praise of the two girls in your latest issue who were sporting some magnificent body art – Ella's was mostly confined to her left arm

and back, but Claire was liberally tattooed all over and really looks the business! I've got quite a few tats myself, and I can safely say the best shags I've ever had are with girls who are similarly decorated. I can only imagine who fantastic Claire would be in the sack – if the ink-work is anything to go by, she'd probably blow most guys' minds!

Barry, Leeds.

Julia says: I've got a feeling you might be right there, Barry!

Tatt'll Do Me!

There's no preamble here, as we cut straight to the chase with a couple of blondes separated by some skimpy outfits and 30-odd years writhe on the sofa until the younger one gets stuck into her senior partner's shaven quim. It's all fingers and tongues rather than toys, but none the worst for that as this, followed by three other pairings demonstrate all too clearly that young and old cunt-lickers can get along just fine! Available from you local sex shop.

Satisfyer Pro Traveler

£36.95

www.sextoys.co.uk

Satisfyer Pros is a series of swanky clitoral stimulators – they're hardy bulky, mostly fitting into the palm of your hand easily enough, but it looks like they've

decided that they're still a bit too hefty for handbag action and, moreover, probably look a bit suspicious. As a result,

they've come up with this nifty little 'Traveler' version (it's so small

they couldn't even fit the second 'L' in the name) that comes with its own hygienic case. Rechargeable via a USB lead and with 11 near-silent different pulsing patterns, if it's a quick and discreet bit of clitoral stimulation when out and about, this'll do the job nicely!

That was a welcome Indian Summer we had in September, wasn't it? And while many folk took the opportunity to thought it'd be better

cram one more barbie into the year, we used cramming one 'beauty in a bikini' afternoon into our schedule! After all, a few charred sausages and burgers might be alright if you like that sort of thing, but they're not a patch on Carla her showing off exactly why she was out first choice for some late summer alfresco fun!

REAL WIFE SEX

Tess gets one back over her cheating hubby

"He slid two fingers up my anal passage without me even flinching. This was followed by his dick."

of the bed with my legs crossed and the red fishnet tights going all the way to my waist and dropped his towel to reveal his hard-on

"You look fabulous, my dear," he commented, before giving himself some slow pumps as I began to spread my legs in front of him. At the time I had quite a hairy bush and it was poking out in clumps through my fishnets but Jonathan was more intent on getting me to turn over. As I lay face down on the bed with he grasped my bum and pushed his face into my crevice.

I could feel Jonathan's tongue trying to squeeze through my tights, but with little success. He was so desperate to get a taste that he used his hands to rip a bigger hole in the tights. With better access he managed to start prodding my nng with his tongue and really get it wet. So wet that he slid two fingers right up my anal passage without me even flinching. This was followed by his dick.

Jonathan was quite well-endowed and I could certainly feel it. He pushed it in as far as it would go causing me to clench the bed sheets, then he started to pumping and out of my arse.

"You don't know how fucking horny your backside looks in those tights," Jonathan grunted as he drove his cock into me.

I moaned in return, still getting to grips with the anal intrusion but starting to enjoy it as Jonathan used his fingers to rub my fanny lips at the same time. They were still encased in the tights and the fishnets being rubbed against my clit really stimulated it. In a matter of minutes I had an orgasm, screaming out Jonathan's name as he continued to bugger me.

Seeing that I had climaxed Jonathan withdrew his bulging prick from my arse, turned me over and like a true gent went down on me. Once again, to get better access to my pussy with his tongue he tore the tights even more and by the time he was lapping away at my pink folds it was pretty obvious that the tights were ruined. Never mind – he could afford to buy me a new pair if I wanted some!

I wriggled away on the bed in ecstasy as Jonathan ate my pussy out until I had another orgasm, and then he slid his prick into my now soaking pussy to finish off. It only took him a few minutes of fucking me until his body froze, he groaned and I felt my pussy flood with his spunk.

As he pulled his now-withered prick out of my pussy the come continued to ooze out, much of it landing on what was left of the fishnet tights. It was all a bit of a mess but a very dirty reminder of a very steamy sex session.

Our affair continued for a few more months until I got another job as someone else's secretary. Meanwhile Ryan and I have come to an understanding that whenever he strays, I'll be entitled to do the same thing, which suits us both fine! ☺

A couple of years ago my marriage to Ryan was going through a bit of a rocky patch – he'd been playing around and I was unsure whether to leave him or just get my own back. In the end I decided on the latter option and started having an affair with my boss, Jonathan, who must have been in his mid-40s but was still in terrific shape. He was such a charmer and made me feel so sexy.

We used to stay behind and have sex in the office when everybody had gone home, but pretty soon Jonathan started paying for hotel rooms and we'd sneak off from the office and fuck there. As our affair continued he started to buy me all sorts of sexy underwear that he demanded I wear when spending the night with him. One time he bought me a pair of red fishnet tights and told me for the whole day at work how excited he was about getting to fuck me in them.

That afternoon we went to our usual hotel and while Jonathan freshened up in the shower I put the red stockings on with a pair of my own black high heels. I didn't see the point of putting anything else on as Jonathan was just going to come straight out of the bathroom and undress me but I looked at myself in the mirror and knew he would be pleased.

Sure enough, when Jonathan entered the room he saw me sitting on the edge

See Ya waiter!

This year I persuaded my hubby to go on holiday as I was getting fed up us never doing anything and him always being in the pub.

Nick soon found the local but I decided to make the most of it and head down to the beach to sunbathe.

Just as I was relaxing I felt someone looking at me, looking around I couldn't believe my luck.

One of the waiters, Jose, was there smiling at me, hands

down his swimming trunks.
Looking round to make sure
Nick was not around I called
him over.

Sitting at the end of my
lounger he asked me how I
was, slipping a cheeky finger
in between my bikini bottoms
and my pussy.

We sloped off to the beach. He looked so sexy and I just couldn't wait to squeeze his Spanish meat deep down my throat.

Lying down, I eagerly took his member in between my lips. Licking and sucking up and down his shaft I could feel him getting rock solid.

Cupping his balls in my hand I eased his cock deeper down me. His fingers also went further up me until I cried out. I kissed my way up from his cock to his lips, every inch along the way up his tanned, rugged, hairy chest.

Hoisting me up and lowering me down on to his cock he slipped in. As I bounced up and down he sucked at my nipples and his hand clamped round my arse cheeks teasing me to go faster

When he was ready to shoot his load I knelt back down and sucked harder and faster than before. Soon his hot spunk was filling up my mouth and dripping on to my breasts sending me into deep orgasm.

Yes, it's another sizzling newbie, folks – babelicious Bianca from Bucks, who seems to be chuffed to bits to be appearing in Escort after fantasizing about doing so for yonks...

"Yes – It's been something that's been gnawing away at the back of my mind since I was a slip of an 18 year old, but I never had the confidence to go through with it. As I've got a bit older I've become more confident in my sexuality and, well, here I am!"

Well good for you - any tips as to how you managed to bring this transformation about?

"I've started wanking in front of the mirror and watching myself – which definitely seems to have helped!"

Time flies quicker than a broomstick-riding witch with a jet engine wedged up her jacksie. Can it really be a whole year since Escort last pulled out all the Halloween stops? Clearly it has been, because here we are, with Tindra doing her bit to fuel those all hallowed eve fantasies. So is she a fan of the festival?

"No, I'm not, but I am a fan of Harry Potter, so I'm trying to channel that for my witchy performance! Reckon this broomstick would be any good for a game of quiddich?"

Doesn't look like it'd even be much good for sweeping the floor. Still, if it's a ride you fancy, maybe I could help...?

It's nice to see curvy Olivia is doing her bit for the environment by only running her bath about 2 inches deep! Still, surely she'd struggle to get clean in such a paltry amount of water...

"Well I'm not interested in getting clean am I? And anyway, usually I'd have the water right up to the overflow hole, because once I get in a bath I can never bring myself to get out for hours. And it's very easy to fit another person in this bath, too, which is even better!"

Hmm, I did have a shower this morning, but if you insist...

April

No, the local graffiti-covered skateboard park hasn't just had a skirting board fitted (it's not that posh round here) – we actually shot these pix of randy minx April inside, but the graff's not too shabby, is it? "Hey, who gives a toss whether the graffiti's any good or not – I'm gonna get my pussy out for you guys, surely that's more interesting than whether this tagging's up to scratch or not!"

Well that's true enough – from those bullet-hard nips we can tell you're clearly raring to go, April, and we won't hold you up for a second longer!

Park 'n' Ride

My boyfriend and I enjoy a very varied and exciting sex life and as soon as the summer months are here we enjoy outdoor sex in country parks and fields.

When the sun shines I know it's time for me to wear next to nothing and go and flaunt myself down at the local park with my boyfriend Paul and what he calls his "goody bag".

On this day, the bag contained a camera, fishnet tights, a frilly thong and some sex toys.

As we walked through the park side by side I rubbed Paul's cock through his trousers so he was hard and ready for action by the time the blanket hit the ground.

Paul lifted my skirt and was as pleased as always to find that I was wearing no knickers and my pussy was wet and open.

He rubbed my cunt with his fingers as we searched for a secluded spot and I nearly came as we walked along a footpath. Then Paul licked his fingers dry of my musky juices.

We found a spot and I could wait no longer. I pulled Paul's shorts down to reveal his jumbo throbbing cock. I lifted my skirt, got on top and rode it till my juices were squirting out down his cock and on to his belly and I had my hand clamped over my mouth to stop us from being discovered.

I got off Paul's cock and got on all fours, sticking my bum up in the air. He teased the entrance to my cunt with his cock before easing himself into me.

After a good fuck I could feel his lovely white cream about to shoot up me and as I started to cum he exploded

inside me, both of us cumming together.

We lay holding each other for a bit but soon became turned-on again. I started to lick and suck Paul's cock and it soon got hard again.

When it was as hard as I need it I took it out of my mouth and started rubbing my neck and face with it.

A little bit of pre-cum trickled on to my cheeks.

Knowing I like it anywhere and everywhere, Paul shouted, "Where do you want it now?"

"I want to taste it," I said, and with that, warm smooth creamy spunk shot into my mouth.

I opened my mouth so Paul could see my tongue covered in goo before I swallowed it.

As we lay back again, Paul reminisced about the time we were in a farmer's field and I rubbed his cock with my hard nipples.

He came on both my tits and then I put my own tit in my mouth and sucked off the cream.

I said the most horny thing for me was when we came to the park on a previous occasion and we came so much together we produced a combination of our juices

which was like the sexiest-smelling moisturising cream which Paul then rubbed into my G-spot, giving me one of the most incredible orgasms I'd ever experienced.

It was now time to leave the park, exhausted but still randy for more which we succeeded in doing at home.

As I say, the summer is very special to us, and we can't wait for next year's to roll round!
